Dear Parents/Guardians,

New this year, participation in the Summer 2017 PARCC administration is mandatory for all students enrolled in a district-approved, credit-bearing Algebra 1, Geometry, or Algebra 2 summer course anytime from the end of the regular school year through the end of August. This includes students repeating a course (credit recovery) as well as students taking the course for the first time. Just as during the regular PARCC window, the course does not need to be completed in order for the student to be tested.

Make-up Dates: August 9th & 10th
