

SAT/PSAT TUTORIAL

This is a 4-day, 14 hour tutorial workshop (28 hours if taking both Math and Verbal), which will be held the weeks of July 31-Aug. 3 and August 7-10. The session hours are: 9:00 am - 12:30, 1:00 pm - 4:30 pm, or 5:00 pm - 8:30 pm. There will be a break in each session. We recommend that if you are taking both Math and Verbal, do not take them the same week. Please split your weeks. The program is sponsored by the Cherry Hill Guidance Departments. Workshops will be held at Cherry Hill High School East, and if enrollment permits, at Cherry Hill High School West. Enrollment will determine if courses run and where.

This course is designed to familiarize the student with the specific test material required for the SAT. We will explain concepts tested on the exams and teach proven test-taking techniques. All lessons are focused on preparing for the SAT. We will work on actual simulated SAT questions and explain the answers. A practice test will be provided for students to do on their own. We will cover such topics as: the actual breakdown for the test, how best to prepare for the test and how the guessing factor can be used to significantly increase your scores. Proper test preparation greatly helps to minimize the tensions that can seriously lower scores for many students.

The fee for one session is \$200 for all Cherry Hill high school students/residents and \$250 for non-residents. The workshop for content area is 14 hours, and the class size will be kept to 10-12 students. It is priced below cost to encourage maximum participation and to ensure affordability. Parents who can, make extra contributions to help pay for students who cannot afford the fee and to subsidize our low cost fee. All contributions are tax exempt. All checks and registration forms must be submitted to the Guidance Department by **Friday, June 16, 2017**. Each registrant will receive a letter confirming registration, and another letter of final details before the workshop begins. We have tried to schedule the workshops so they will not conflict with pre-season training.
