Dr. Kwame Morton, Principal

September 5, 2018

Dear Parent/Guardian:

Welcome to the High School West Title I Program for the 2018-2019 school year. We are proud to announce that this year will be the first year that we are a school wide Title I program. Title I is the name of the funding provided us by the federal government to support academic achievement for all students at High School West. The purpose of a Title I Program is to increase the educational opportunities for the students being served by providing additional supports to help them achieve success. Title I Programs have the same high standards as all programs provided in the Cherry Hill Public Schools. Title I provides an opportunity for students to take advantage in additional supports and services to help achieve success on state standardized tests and in school.

All students at High School West are eligible for these supports if they should need them at any time during the school year. Some of the ways that Title I funds support your child include additional teachers hired to support students in math and English, technology in each classroom to support learning, as well as programs provided to increase engagement and achievement.

Attached you will find additional materials further explaining Title I services. If you have any questions about Title I or these opportunities please contact Allison Staffin at astaffin@chclc.org, or (856) 663-8006 x.1740.

Sincerely,

Kwame Morton, Sr.
