Dr. Kwame R. Morton, Sr., Principal

October 27, 2017

Dear Parents/Guardians:

This morning, shortly after 8:00 a.m., staff reported a concern regarding the odor of natural gas in the choir room.

The building was evacuated and the Cherry Hill Fire Department was called. The fire department conducted an analysis to determine whether natural gas was present. They deemed the building safe and cleared us to resume normal operations. Students and staff went back inside the building about 20 minutes after the evacuation.

I would like to thank the Cherry Hill Fire Department for their quick response. I also would like to thank our students and staff for their calm and professional response during the incident.

Please feel free to call me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Dr. Kwame R. Morton, Sr.", written over a horizontal line.

Dr. Kwame R. Morton, Sr.
Principal
