

FROM THE DESK OF DR. MORTON

I'm Grateful!

The month of March has been one of the most rewarding months of my professional career. This month featured the release of our spring musical, Phantom of the Opera. The production was a major success and I, as well as all those who attended were blown away by the display of talent in the cast. It was great to see the seamless execution of such a difficult production!

I am so grateful and appreciative for the opportunity to work with such passionate, respectful, and caring students. As a father, I was truly touched by the engagement of our children and by the activism demonstrated on March 14th in support of those who lost their lives in the Parkland, Florida shooting. The students of HS West demonstrated their empathy for others and the power of their collective voices. It was truly a remarkable day for the HS West community and one that will not be forgotten! I thank you for sharing your children us. It is such a pleasure for me to interact with each of them!

Dr. Morton's West Address

March 29, 2018

This West address includes a summary of the month of March including information about our Unsung Heroes event. Click the video on the left for more information.

The Lion's Roar Report...

Click the link for important marking period reminders as well as other pertinent announcements and information. The Lion's Roar Report is produced by the students in our Journalism course.

National Walkout Day at West

On March 14th, 2018, the students of HS West stood in solidarity with those who lost their lives in the tragic Parkland, Florida School shooting. It was a great day!

The West Report - Spring Sports Preview

Our spring sports teams are highlighted in this edition of the West Report. The West Report is filmed and edited by students in our Broadcasting classes.

In Case You Missed It

Select 12th grade students from HS West participate in an innovative internship program at the [Virtua](#) Healthcare system. The partnership began in 2016 and it allows students to be exposed to the various facets of Virtua Hospital. Click the link [here](#) to view the NJ Classroom Close Up feature on our students entitled [Lessons in Medicine](#).

Student Spotlight

Virtua Interns

These students delved into the world of medicine as interns with the Virtua Healthcare System. Kudos to each of them for representing the West Way!
