

What is Project Graduation?

This event is a safe, all-night, alcohol and drug-free alternative to teenage parties. It continues to be an inclusive event that not only protects our graduates during this one particular evening, but also serves as an example to our kids that celebrations do not need to include drugs or alcohol to be fun! The event is held at the JCC in Cherry Hill from 10pm-4am the night of their graduation. The seniors are able to swim, play basketball, Texas hold'em, tattoos, dance, trivia games, inflatables and most exciting...have a chance to win incredible prizes (laptops, tvs, ipads, smartphones, bluetooth speakers, tower fans, etc)
